

Regan Swallow Design Ltd.

Plan 572

This double car garage is accessed via an eight foot high by sixteen foot wide overhead door and boasts a nine foot ceiling height. The garage is spacious at twenty-one feet wide by twenty-five feet deep.

The adjacent covered entry opens into the large eleven foot six-inch wide by twenty-one deep workshop which also has a nine foot high ceiling height. With a six foot wide opening into the double car garage this space is truly versatile.
